

Albert Bonmassip

I am a front-end developer based in Los Angeles 🇺🇸. I recently changed careers looking for new opportunities and challenges. My focus area is front-end development with Javascript and React. Previously I worked as a 3D generalist, you can check out my 3D stuff [here](#).

Knowledge

Programming Languages

Javascript, HTML5, CSS (SCSS)

Skills

Git, version control, responsive web development

Frameworks & Libraries

ReactJS, Redux, Next.js, Node, Express.js, Styled Components

Languages

English, Spanish, Catalan, German

Work experience

3D Artist Freelance

Multiwebdia Global Creativity

Los Angeles, USA (2019 - 2020)

Zurich, Switzerland (2017 - 2019)

I created logos, animations and media content for the European Final Four. I was in charge of modeling, texturing, lighting, animating and rendering.

3D Artist Freelance

Soler&Palau

Zurich, Switzerland (2015 - 2016)

I produced Architectural Visualization renders to show ventilation system installations for domestic, commercial and industrial environments.

3D/2D Artist

EXON GROUP

Barcelona, Spain (2014 - 2015)

I created 3D environments, game-engine assets and interface elements for arcade machine games. My tasks involved modeling, image editing, texturing and animation.
