About me

After 9 years living abroad in Zurich and Los Angeles, I recently returned to Barcelona in search of new opportunities and challenges. As a front-end developer, I primarily focus on building sites with React and Next.js, and creating 3D web experiences using Three.js. With a [background in computer graphics](#), I am also proficient in Adobe Photoshop, Blender and the entire 3D graphics pipeline.

Skills

Programming: JavaScript, ES6, HTML, CSS, React, Next.js, Three.js, WebGL, Git, Node, Express, PostgreSQL, MongoDB, Responsive web development.

Computer Graphics: Adobe Photoshop, Blender, 3D modeling, texturing, lighting and rendering.

Languages: Catalan, Spanish, English, German (beginner).
